Giulia was incredibly kind and patient in explaining course material. When it came time to submit my policy proposal, Giulia gave great and detailed advice as to how I could strengthen my ideas. Giulia always approached the TA sessions with an encouraging nature that made me feel a lot more comfortable and and much less intimidated.

Really passionate and knowledgeable and inspires students

N/A

I was really happy having Giulia as my TA. She always welcomed questions no matter how complex or easy they were. She always took the time to explain anything I needed help with and was thorough and easily understood. She helped me a lot through this course and gave me necessary feedback and help.
